Eldon Deacon Sustains Broken Leg In Ball Game

The Minden Merchants won the semi-final round in the Haliburton County Softball League on Tuesday night but the victory proved to be costly as their star catcher, Eldon Deacon, sustained a broken leg in a home base collision with Curtis Way of the Haliburton Highlanders.

Eldon, whose leg was broke in two places, was taken by ambulance to the Minden Red Cross Hospital and then on to the Ross Memorial Hospital in Lindsay.

We are sure that this accident will be regretted by players and fans alike and we understand that benefit games will be played to ease the financial loss that will be suffered by Mr. Deacon through enforced absence from his work. We might also mention that Eldon Deacon is the Minden Fire Chief.

In the ball game which was called at the end of five innings on account of darkness was won by the Minden team with a 6-5 victory over the Haliburton Highlanders.

The victory gave Minden the series with four victories and a tie and they now meet Snowdon for the Haliburton County Championship. Allan Coneybeare was on the mound for the winners while Wayne Sawyers went all the way for the losing Highlanders.

Car, Truck Crash, Damage Is \$450

MINDEN (ENS) — Damage is estimated at \$450 in a car-truck crash last Thursday at Buttermilk Falls on Highway 35 near the village. Ontario Provincial Police said the vehicles were driven by Lorne Stewart, 32, Haliburton, and Alan Ablett, 28, of Thornhill.

Only minor damage resulted in a car-truck crash on the Harcourt Road last Thursday afternoon. Drivers were Hubert Alsop, 56, Gooderham, and Mervyn Anderson, 37, Oshawa.

Unfinished Business

Numerous complaints have reached this office lately regarding the new Dover's Hill road and after travelling over this portion of highway we would say there is plenty of room for complaint.

All summer long residents who reside close to the road have seen their premises engulfed in clouds of dust, but no thought was ever given to spreading a little calcium chloride to relieve the situation. One wonders where they obtained the gravel to cover this section of road. I never saw a top covering a highway with so many large stones. Surely at least the biggest of these might be raked off as they could be dangerous in case a driver had to apply his brakes suddenly.

During the last war we had a slogan, "Let's finish the job." We hope the Department of

Highways will do just this before some unsuspecting motorist comes to grief on this hazardous hill.

Golf Tournament This Sunday

A Golf Tournament is scheduled for the Haliburton Golf Course this Sunday, August 22 starting at 1 p.m. Everyone is welcome and we urge you to be there at 12:30 to register.

Eighteen holes will be played. A trophy will be given for low gross plus two other prizes and three prizes for the three low net. Six prizes in all. The handicap system will be used which will give a chance for all golfers.

The fee is \$3.00 for the day which includes green fees.

Snowdon Advance To Finals With Win Over Haliburton

The Snowdon Ball Club defeated the Haliburton Hustlers 4-3 at the Lochlin Ball Park on Monday night to win the semi-final round in the Haliburton County Softball League play-offs. Snowdon wins the round four games to two.

Going into the last half of the seventh and final inning of the game, Haliburton had a 3-2

lead. Snowdon batting in the last half of the inning put two men on base. Haliburton gave an intentional walk to Bob Austin and Snowdon had the bases loaded with one out. A hit to centre field brought in two runs and Snowdon won it 4-3.

Snowdon will now meet Minden in the final round.

David Logan Answers Davie Fulton

David Logan, Liberal candidate, answered Mr. Fulton's comment of "Where does anyone find a Canadian who says he is proud of his government," which Mr. Fulton made at the Conservative Convention recently, as a lot of short sighted nonsense. I am a Canadian and I am proud of our Government and the democratic system which it represents. The Liberal Party is the party of constructive change; the party, not of privilege and exploration, but of the common man and his rights. Sure Mr. Pearson has had his problems. Whenever you are trying to do the job you have difficulties.

Mr. Fulton discussed the problems but he conveniently forgot to mention the accomplishments. He did not mention that since the Liberal Government took office in April of 1963 they have:

1. Increased employment by 548,000 jobs;
2. Raised Old Age Security Pensions to \$75.00 to be available from age 65;
3. Increased the efficiency of the Farm Credit Corporation by setting up a Farm Credit Appeal Board;
4. Introduced a \$500.00 bonus plan for winter built homes thus extending the working season for construction workers;
5. Eased down payments and reduced interest rates on homes;
6. Established Canada's first Federal Labour Code at \$1.25 minimum wage in Federal Jurisdictions;
7. Increased disability and war allowances;
8. Reduced the National deficit to the lowest level in 7 years;
9. Improved Farm Credit with larger amounts extended to machinery and partnerships;
10. Established the 400 million Municipal Development Loan

Second Gem-Boree Termed Success

BANCROFT (ENS) — The second annual Rockhound Gem-Boree held here last week-end has been termed a great success by the committee in charge.

Although Sunday attendance was down, due no doubt to the intense heat, the total figure for the four days is expected to be higher than last year. Last year, the Gem-Boree drew an estimated 15,000 people.

Saturday night attendance was high, as people crowded to see a large fireworks display. The firecrackers were ignited by two local firemen, Cecil McAlpine and Lawrence Leedy.

Magistrate Dismisses Drunk Driving Charge

LINDSAY (ENS) — David Stroud, 18, of Wilberforce, was cleared last Wednesday by Magistrate Ian Munro of having care and control of a car while drunk. The magistrate told the youth he had a narrow escape and he hoped the incident would not be repeated.

"If you have any intelligence at all you will see the court's line of reasoning. You were in a very dangerous position," Magistrate Munro told Stroud.

The youth was arrested late Saturday by Minden Ontario Provincial Police following a one-car accident near Harcourt.

Police testified the car was in a ditch when they arrived. They said Stroud, lying in a ditch near the car, admitted he was the driver of the vehicle at the time of the accident.

James McQuarrie, defence counsel, argued it would be unfair to convict on the evidence produced by the Crown. He pointed out that Stroud turned off the lights and the ignition before leaving the vehicle.

Magistrate Munro said if police had charged the accused

with impaired driving he would have had no hesitation in finding him guilty. There is a vestige of doubt in my mind. I am giving you the benefit of the doubt and dismissing the charge," he told Stroud.

Auto Takes Dive, Passenger Injured

LINDSAY (ENS) — James Merritt, 18, of R.R. 1, Burnt River, received minor cuts and bruises when the car in which he was a passenger plunged over a 20-foot embankment near Fenelon Falls last Friday.

Provincial Police said the car driven by William Hall of Scarborough came to rest on its roof. Damage is estimated at \$800.

Three other occupants of the car were uninjured. The accident occurred on Highway 121, four miles from Nelson's Corners.

Annual Sailing Regatta On Horseshoe Lake

The Annual Sailing Regatta on Horseshoe Lake on Saturday, July 24 was the most successful held in the three-year history of this event. Starting time was 10 a.m., and two laps on a triangular course were completed by noon.

The winners, on the basis of handicap, were: Winner - Harry Angus, sailing an Alpha Dinghy; 2nd - Ian McNabb, in a Super Sailfish; 3rd - Gordon Mitchell in a Y Flyer; 4th - Harry Shore in a Penguin.

A special prize was awarded to Elizabeth and Catharine

Campbell, who placed fifth in their Dolphin.

Decoration Day Services This Sunday

Decoration Day Service has been set for this Sunday, August 22nd at the Evergreen Cemetery at Haliburton starting at 2 p.m.

This Sunday is also Decoration Day at the Ingoldsby Cemetery at 2:30 p.m.

(Continued on Back Page)

Total Damage \$400

Total damage is estimated at \$400 in a two-car crash near Dorset last Wednesday, involving cars driven by Wilma Helen Kwinter, Downsview and Lionel Major of Lanark. Police said the cars met on the crest of a hill on a narrow township road.

Don Thrush Transferred To Belleville

Don Thrush of the Retail Sales Tax Branch of Ontario Government, has received word of his promotion to Auditor, and also that he is being moved to Belleville Office of the Retail Sales Tax.

The Belleville Office is responsible for administration of Ontario Sales Tax for this area as well as many others.

Mr. and Mrs. Thrush who will be moving at the end of this month will be missed as they both took an active part in the community.

Don was a member of the North Entrance Lodge A.F. & A.M. No. 463, a member of the Rotary Club of Haliburton, serving on the Board of Directors. He was an active member of St. George's Anglican Church and also President of Haliburton Chapter of the Brotherhood of Anglican Churchmen. Mrs. Thrush was also a member of St. George's Anglican Church and a member of St. George's W.A.

While we are sorry to see them leave us, we trust that they will be happy in their new place of residence.

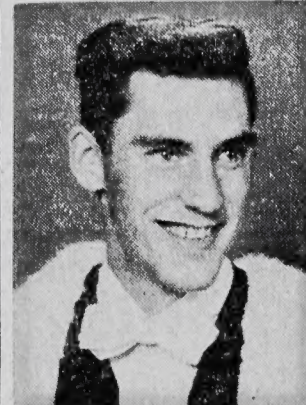

P. G. Gillis To Address Owner's Council

P. G. Gillis, a director of the Assessment Branch of the Ontario Department of Municipal Affairs, will be guest speaker August 21 at the annual meeting of Haliburton Highlands Property Owner's Council.

The meeting will be at the Red Umbrella Inn, six miles north of Minden.

Representatives from 21 Cottagers' Associations will discuss a variety of questions including water levels, water safety, water pollution, assessment, building by-laws and the 1965-66 program.

Founded in 1961, the council represents about 5,000 cottagers in the Haliburton area.

Mr. and Mrs. Elwin Robertson wish to announce the engagement of their only daughter, Karen Lois, to Mr. Donald Drury Dunsmore, eldest son of Mr. and Mrs. Gordon Dunsmore, R.R. 1, Barrie, Ontario. The marriage will take place Saturday, September 18th, 1965 at 3:30 p.m., St. George's Anglican Church, Haliburton, Ontario.

LETTERS to the EDITOR

Wilberforce, Ontario,
August 16, 1965.

To The Editor:

Being from a large city all my life except the past eleven years the sound of the fire siren was a most common thing, but more common to see passing by the fire hall would be the firemen on duty playing cribbage. Sometimes I feel we go through life just a mouthful of grumbles at such small things and too little comes forth from our lips to praise.

I must admit I was one of the worst offenders for this sort of criticism of my volunteer fireman husband when he was home and an active member of the Wilberforce Fire Brigade of Monmouth Township and also adjoining Cardiff Township members.

Women just hate to have dinner ready and no husband home to eat it, but I think that the wives who are partly responsible for giving the husband a nudge in the ribs that the siren is blowing will also take their hats off with pride (even though they are shaking inside) as their fireman husband answers the call within minutes after the alarm has been sounded.

It's so difficult to stay away from the phone after the siren has blown to ask "Where is the fire?" but I realize that our ever faithful Bowman family are at work calling everyone available who has a phone to answer the alarm of fire night or day.

I feel I must write this letter now, at 2:30 a.m., as tomorrow when its all over. I too would forget to say thanks to those men who within far less than five minutes were speeding to the fire to help as best they could.

For myself and family, we sleep a deeper sleep just knowing all of these people who play a part in answering a fire alarm are our neighbours. I'm thankful to God I have the privilege of living here and I hope that we can remember to be thankful in prayer for all of the Jake Mather husbands serving our fire department.

I only wish I could be one of the proud wives who helps warm up the car while their husbands pull on their clothing to rush out in the night, but do forgive me for being one of the grumblers in the past, as no doubt I again will be, but also know that watching the car lights and the fire engine racing in the night also made me a bit ashamed of my grumbles and in place I'll try to remember the city as a child, where a fire hall was a place of beauty and how each fireman was to each of us children, a hero with a tin badge, and look upon our men with the eyes of my childhood.

We never know for whom the bell tolls, so may I on behalf of your friends and neighbours thank you, our phone operators and firemen one and all.

Rita Allen Bidgood.

WEDDINGS

WALKER — LYON

Karen Lena Lyon and Glenn David Walker planned to honeymoon in Haliburton Highlands after a visit to Niagara Falls following their wedding at St. Luke's Anglican Church in Peterborough.

She is the daughter of Mr. and Mrs. R. C. Lyon and he is a son of Mr. and Mrs. Donald Walker, all of Peterborough, and a grandson of Mrs. Wm. Welch of Minden.

The gown, chosen by Miss Lyon, was of organza over peau de ange with a detachable train showered with appliques and a matching bolero of Guipere lace. She wore a four tiered bouffant veil of scalloped silk illusion, caught with a lace headdress centred with a miniature crown of pearls and crystals and her bouquet was of pink roses and stephanotis.

Attendants were Mrs. Wayne Hope of Keene as matron of honour and Miss Verna Salt and her sister, Miss Maureen Lyon. Their floor length gowns were bluish pink, sheath skirts of summer peau de soie and the bodices of Alencon lace with trains from the shoulders of matching peau. Pink and white carnations and mums formed their bouquets.

Clay Gerling of Peterborough attended the groom and the ushers were the groom's brother Dale Walker of Peterborough and Allan McCaskill of Bethany. Ring bearers were Michael Hobden of Peterborough and John Welch of Minden.

Miss Shirley Lang sang solos accompanied by Brian Snell.

Guests came from North Bay, Meaford, Preston, Galt, Orillia, Hamilton, Minden, Ottawa, Kingston and Cobourg.

Mrs. Lyon received in the Church Hall wearing a gown of turquoise gem lace and a picture hat of draped white organza, assisted by the groom's mother in a sheath of pink crepe with top of lace and a pink straw hat.

For their trip the bride changed to a suit of blue shantung and a white orchid corsage and white accessories.

News Notes From The County

Although the Department of Lands and Forests discontinued issuing land use permits for hunt camps in the Lindsay District almost two years ago, interest in this type of accommodation continues unabated.

District Forester Arthur Walroth said the decision was reached after a survey revealed such camps had attained the point of maximum concentration within the terms of the policy then in force. This situation has not changed, and the department is unable to offer any encouragement to individuals and groups seeking sites for permanent hunt camps, said Mr. Walroth.

Newcon Construction Company of Weston has been awarded a \$1,594,750 contract for rehabilitation of the Trent Canal system hydraulic liftlock at Kirkfield.

The work includes supplying and installing new lock gates, machinery, electrical system and all other requirements for the complete mechanical rehabilitation of the lock.

A new upstream structure will be built with an enlarged road tunnel and a new control tower. Public rest rooms will be provided in the new office building. Estimated completion date is May 31, 1966.

"By-elections as indicated by four vacant seats in the House of Commons, would give opportunity of an interim verdict on the conduct of the Pearson government . . . and Canada needs such warning signal directed at the two-year reign of the Liberal government," Senator Wallace McCutcheon told the PC Nomination Convention held at the LCVI in Lindsay recently.

An historical plaque was unveiled at Bancroft on Thursday last commemorating the Monch Rd., a pioneer colonization road. Built in sections, the Monch Rd. was not completed until 1873 and never did prove to be satisfactory. Using present day names the route might be described as passing through Nor. Mara, Rathburn, Sebright, Dartmoor, Uphill, Head Lake, Norland, Kimmount, Furnace Falls, Irondale, Gooderham, Monch Rd. and Bancroft.

The Chatham Hockey Club affiliated with the Montreal Canadiens, will be using 15 hours ice time at Lindsay later this month for tryouts for 45 hopefuls.

Several new innovations are planned for this year's Minden Fall Fair which will be held on Saturday, August 28th. Included on the program is horseshoe pitching, nail driving, fiddlers' competitions, pony and saddle horse races and children's races. One of the innovations is a

square dance competition for boys and girls 14 years of age and under.

Tourism Minister Opens Gem-Boree

BANCROFT (ENS) — James Auld, minister of tourism and information opened the four-day Rockhound Gem-Boree at Bancroft last week.

The ceremony at the Gem-Boree grounds at the northern edge of town was attended by hundreds of rockhounds and local residents. In conjunction with the opening, a historic plaque was unveiled to commemorate a pioneer colonization road, the Monch Rd. The plaque is one of a series being erected across the province marking historic sites.

Many of the visiting rockhounds were not back from the daily field trips in time to attend the afternoon ceremonies.

Guided trips to local mineral deposits left the Gem-Boree grounds at 10 o'clock each morning. They were organized by the local mineral society.

The Gem-Boree grounds, in the shadow of Bancroft's well known rock formation, the Eagle's Nest, was alive with activity in the mornings as a local church group and service clubs outfitted rockhounds with lunches for their outing.

The Gem-Boree Committee tried to keep the prices low enough so that the event could be an economical family outing. (Peterborough Examiner)

IN A TOURIST TOWN

Living in a tourist town must be quite different from living in a town of corresponding size that has no link with the tourist industry.

I grew up in a small town that was just beginning to find its potential as a tourist town. Quite a few cars in town were evident in July and August. Everybody thought the tourist business was a good thing and something should be done about it. A few people with large houses and small incomes, including my mother, put up "Tourist Accommodation" signs and were not only flabbergasted but delighted to rent huge, immaculate bedrooms for as much as \$2 a night.

But on the whole, the tourist business was just a little extra gravy, and the town drowsed through the summer, the merchants leaning in their cool doorways, waiting for 6 o'clock to come, so they could close up and hustle off to the ball park after gulping their supper.

What a difference from the slam-bam-thank-you-ma'am atmosphere of the modern tourist town!

Today the tourist business is not only a little extra gravy, it is the cream in the coffee, the icing on the cake, the cheese with the apple pie and any other garnishing you care to nauseate yourself by imagining. It is the difference between survival of the fittest and getting along nicely, thank you, in the business world.

For the grocers, the hardware stores, the drug stores, the tourist season is a mixture of exhilaration and exhaustion. The harmonious tune of the cash register is offset by the discordant scream of aching feet.

Aside from its economic injection, the tourist business has a very strong impact on the life of a small town. When the first visitors begin to arrive, in May and June, they are as welcome as the first flowers. They add color, excitement, a touch of the outside world, with their differ-

ent accents and different clothes.

They are warmly welcomed, and not just for their financial contribution. Most of them are very nice, friendly people, and it's a pleasure to greet the repeaters each year, on their first trip to the cottage. We have a little yarn about the winter we've spent, and like as not, they'll urge: "Now you be sure and come up to the cottage and see us this summer. We'll have a cold one together."

They start to come in a trickle that quickly becomes a stream, then an avalanche. The pace quickens in the small town as everyone turns to in an effort to cope with them. By mid-July, the whole town is throbbing with this heady addition to its life-stream. You can't find a place to park, shopping takes three times as long, and you can scarcely cross the street because of the constant stream of cars crawling through.

About this time, the tourist town has almost lost its identity and individuality. Merchants and resort operators are like fishermen who find themselves in the middle of a vast school of fish, like farmers intent on reaping the harvest before the first touch of frost kills it.

As August nears its end, and the golden days fall rapidly away, there is a little sadness in the air, as the tourist season nears its end, and the new and old friends among the campers are seen heading out of town with their sunblackened children and their piled high cars.

But when Labor Day arrives, and the avalanche slows to a trickle, the town becomes a town again, not just a shopping centre. The citizens slow down, stretch their backs, and look around at each other. Within a week, they have forgotten the scramble and the rush and the foolish business of making money, and, full of renewed interest in their town and themselves, get down to something serious, like planning a hunting trip, or having a party.

Haliburton News Letter

The Vacation Bible School started at the Lakeside Baptist Church last week with an attendance of over 85. The attendance has been most encouraging to the Church and teachers alike.

The Haliburton Rotary Club has donated a stage to the Dysart Community Centres Board for use on the Arena floor. It is expected that the stage will be enlarged to take care of any entertainment that may take place in the new Arena.

Some persons last week decided that the Main Street in Haliburton could stand with a few more decorations. So they climbed the telephone poles on the Main Street and hung articles such as shorts, shirts and ladies' brazieres.

The Rotary Club of Haliburton have just completed another successful Carnival. It was one of the best carnivals financially since the big event was started 22 years ago. The parade was one of the best ever and the crowd enjoyed the Carnival in the new Arena.

We would like to say Thank You to the eight men from West Guilford who donated free labour to paint the seats and boards in the interior of the new Arena at Haliburton. This was a job well done.

Four teams are now playing in the play-offs in the Haliburton County Softball League. They are Snowdon, Minden and the two teams from Haliburton, the Hylanders and the Hustlers.

Speaking of ball, we would also like to hand out a bouquet to Wes Sawyer who has done a bang up job in keeping the Haliburton Ball Diamond in excellent shape.

The Telstars are still packing them in at the Golden Slipper.

Happy birthday this week to Mr. Clarence Sedgwick of Haliburton who celebrated his 82nd birthday on Saturday. Clarence was an employee of the C.N.R. for 48 years and has been pensioned off for the past 18 years.

This I Remember

(Continued from Last Week)

Things came to a head one afternoon. At the back of the school beside the door to the girl's cloak room was a narrow blackboard. One of our number had the bright idea of writing on this bit of board:-

"Dear old Mac!
We wish he was back."

She didn't however have the courage of her convictions sufficiently to sign it first. Of course my usual procedure being to act first and think afterwards, my name led the list, the gifted poet waiting till several names were down before she signed.

The sight of this proved too much for poor Mr. Mills, who sent us all to our seats, lectured us on our bad manners especially the ring leaders, accompanying the lecture with a very severe glance in my direction. We were all very proud of this daring exploit.

It was very foolish of us of course and our lessons suffered. Mr. Mills worked very hard and had great hopes of his Entrance Class. Unfortunately some people in those days didn't believe in too much education for their children and several who should have gone on, didn't have a chance. Somewhere I have a card sent to me by Mr. Mills while I was going to High School. On it he discussed very frankly and at some length (in the tiniest neatest imaginable writing) the prospects for his Entrance Class of that year. Some wouldn't get down to work and the parents of others saw no need of sending their children on. In 1906, the year the writer graduated from Public School, there were only 23 pupils who

wrote the examination in the whole county! Of these five passed, one a Toronto boy whose parents had a cottage at Minden, two boys from Minden, Bert Dart from Haliburton and the writer, who was the only girl.

Writing Entrance entailed getting to Minden the day before, spending three days there and getting home again. This meant either rising at 4:30 and taking the train to Gelert and thence by Stage to Minden or hiring a "livery rig" and driving down. One's board for three days and the journey home again made it an expensive outing for any family whose means were limited.

How long Mr. Mills remained in Haliburton I can't remember. He was followed by an eccentric teacher who had rubber rims on his eye-glasses so that when he became exasperated and threw them at an annoying pupil, they bounced and didn't break!

What a contrast all this, to the wonderful chances for an education available nowadays to any child in the province, no matter where he may live.

IN MEMORIAM

MADILL - In loving memory of Mother, Clara Madill, who passed away August 8, 1963, and Father, John Madill, 1958. Nothing can ever take away The love a heart holds dear, Fond memories linger every day, Remembrance keeps them near. —The McColl Family.

MARSHALL - In loving memory of a dear brother, Harold Marshall, who passed away August 22, 1964. One year has passed since that sad day, When you were so suddenly called away; There has been many a silent heartache, Many a silent tear of one we loved so dear. —Sadly missed but always remembered by sister Thelma, brother-in-law James and his nephews, Arnold and Ivan Trotter.

McKELVEY - In loving memory of a dear husband and father, Harold McKelvey, who passed away August 23, 1963. In tears we saw you sinking, We watched you fade away; Our hearts were almost broken, You fought so hard to stay. But when we saw you sleeping, So peacefully free from pain; We could not wish you back To suffer that again. —Always remembered by his wife Mary, Sons, Daughters and Grandchildren.

PECK - In loving memory of our Mother, Emma Peck, who passed away August 22, 1934 and our Dad, Frank Peck, who passed away June 19, 1950. Remembrance is a golden chain Death tries to break it, all in vain, To have, to love, and then to part Is the greatest sorrow of one's heart. The years may wipe out many things, But this they wipe out never; The memory of those happy days, When we were all together. A silent thought, a secret tear, Keeps their memory ever dear; Time takes away the edge of grief But memory turns back every leaf. While you dear parents rest and sleep, Your loving memory we'll always keep. —Sadly missed and ever remembered by their Family.

WHITTAKER - In loving memory of Clifford Samuel Whittaker, who passed away August 18, 1964.

Those whom we love go out of sight, But never out of mind; They are cherished in the hearts Of those they left behind. Loving and kind in all his ways, Upright and just in all his days; Sincere and true in heart and mind, Beautiful memories he left behind. —Sadly missed by his wife Edna.

CHURCH NEWS

B.A.C. COMMUNION AND BREAKFAST

The Brotherhood of Anglican Churchmen held their monthly Communion and Breakfast at St. Andrew's Anglican Church, West Guilford on Sunday, August 15th with 21 members present.

We were pleased to welcome three guests, namely Don Cooper, Don Sisson and Bill Gliddon.

Our president, Don Thrush, announced that he would be resigning as president as he was moving to Belleville at the end of August. Don took this opportunity to say how much that he had enjoyed being connected with this group and thanked everyone for their support. He urged all of us to support our new president, Russell Woodcock. Harley Fader presented Don with a book of the New Testament, a going away gift from the B.A.C.

Rev. Carder, just back from holidays, gave us a lineup of speakers for our B.A.C. meetings for September and October.

Don Thrush thanked the ladies for a very delicious breakfast. Our program consisted of a very interesting film "The Undaunted City". This film gave us an insight into the way of life of the people of Hong Kong.

Our meeting closed with prayer.

VACATION BIBLE SCHOOL TO BE HELD

Beginning this Monday evening at 7 p.m. the Full Gospel Lighthouse will be the scene of

its annual Evening Vacation Bible School. This summer feature has always been well attended by the children of the village and already enthusiasm is building up at the thought of the stories, quizzes, contests, handicrafts and sword drills which have been planned for the week.

Each meeting of the school will run for one hour and a half and will include one hour of common meeting with the children dividing each night for a half hour of handicraft. In this way the children will be able to return home before dark. All children are welcome to this wonderful time together.

MISSIONARY SPEAKER AT FULL GOSPEL LIGHTHOUSE

On Tuesday, August 24th Miss Shirley Anderson from Rhodesia, Africa will be a guest speaker at the Full Gospel Lighthouse. Miss Anderson has been serving with the Apostolic Church of Pentecost of South Africa for at least two five-year terms now and is bringing 16 mm films of the work which is being accomplished there.

The meeting will begin at 8 p.m. and everyone is welcome. The children of the Evening Vacation Bible School will also see the films of Africa during the latter part of their meeting. This will be of particular interest to them since the week of meetings for them is going to feature the story of an African boy who is led from superstition to Christ.

GOODERHAM

The United Church Women met at the cottage of Mrs. McMullen on Wednesday afternoon. The president, Mrs. G. W. Barr, opened the meeting with a poem entitled "Family Altars", followed by prayer.

Roll Call was answered by 1 believe". Mrs. Billings read the Scripture, Romans 9: 1 - 15. The minutes were read by Mrs. Dallyn Pickens, who also gave the Meditation.

Mrs. McMullen continued the discussion on the questionnaire of a previous meeting.

The September meeting will be held at the home of Mrs. Walker, the Roll Call to be answered by "Where I Joined The Church".

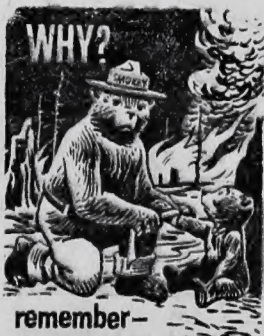

Visitors present were Mrs. McMullen and her mother, Mrs. Helenn Kotzenmeyer, Mrs. Parrish, Eva Gordon and Laura Loney.

A delicious lunch was served by the hostess.

Recent visitors were Rev. and

OBITUARY

JOHN EMMERSON

There passed away suddenly at his home, Lot 5, Concession 4, Dysart on August 7th, a well known and respected resident of our community in the person of Mr. John Emmerson, in his 76th year.

He had returned home from Ross Memorial Hospital, Lindsay after two serious operations and appeared to be gaining strength satisfactorily, when he took a heart seizure and passed away suddenly, leaving to mourn his loss his wife (the former May Robertson) and three sons and one daughter, namely Maxwell of Lochlin, Maurice and Marjory (Mrs. Fred Rennick) of R.R. 2, Haliburton and Rev. Donald of Kitchener, also nine grandchildren and seven great grandchildren.

Mr. Emmerson was the son of the late Mr. and Mrs. James Emmerson, and was predeceased by five brothers, Dan, James, Duncan, David and Albert, three sisters, Mary (Mrs. Chas. Carnegie), Sadie (Mrs. Clare Hayden) and baby Jeannie, also two infant daughters.

Mr. Emmerson was born in Toronto on March 20th, 1890, coming back to his father's homestead as a boy, he went to the Old Dysart School which had been built on the same ground where his own sons and daughter later attended.

He married May Robertson, Ingoldsby in 1912, lived in that district for a time, but purchased the Emmerson homestead in 1918 where they still reside. He spent all his life in this locality, working on the farm, as foreman in the bush, and on Municipal roads, also in the Chemical Plant at Donald.

He was a member of North Entrance Lodge A.F. & A.M., Haliburton since 1923. The brethren assembled for a service on Monday evening at his home. Tuesday after a short service at home the funeral proceeded to Ingoldsby United Church, where the service was conducted by Rev. C. J. McNichol, who gave a beautiful gospel message. Two hymns were sung, "What a Friend We Have in Jesus" and "Abide With Me".

Pallbearers were six grandsons, Edward, Wayne, Tommy, Dale and Mark Emmerson and Don Rennick. Floral tributes were beautiful.

Besides the neighbours and friends of the surrounding district, many attended from as far as Lindsay, Toronto, Hamilton, Orillia, Midland, Nobleton, Kitchener, Niagara Falls, Pickering and St. Catharines.

THE MUNICIPALITY OF THE
CORPORATION OF THE TOWNSHIP OF STANHOPE

BY-LAW NO. 65-9

TAKE NOTICE of a proposed By-law to be passed by the Council of the Corporation of the Township of Stanhope for the purpose of stopping up a certain road allowance being composed of part of the road allowance along the easterly shore of Boshkung Lake in front of Lot 13, Concession 4, of the said Township:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton and the Province of Ontario, and being composed of part of the Road Allowance along the easterly shore of Boshkung Lake in front of Lot 13, Concession 4, of the said Township, which said part of the Road Allowance is shown coloured red on plan of survey attached hereto, and is further described as follows, that is to say:-

COMMENCING at an iron post placed at a point in the westerly limit of the Township Road, 66 feet in width passing through the said Lot, which said post is distant 203 feet measured on a course south 41 degrees 59 minutes east astronomically, from a point in the south western limit of Provincial Highway Number 35, which said point is distant 83.5 feet measured on a course south 61 degrees 30 minutes east astronomically along the said limit from a point therein, distant 415.6 feet measured on a course south 44 degrees 08.5 minutes west astronomically from an iron post placed at a point in the easterly limit of the said lot, distant 1133 feet northerly from the south-easterly angle thereof;

THENCE southerly along the said westerly limit of the Township Road, 258 feet more or less to an iron post placed at a point therein, distant 500 feet northerly when measured parallel with the eastern limit of the said lot from the southern limit thereof;

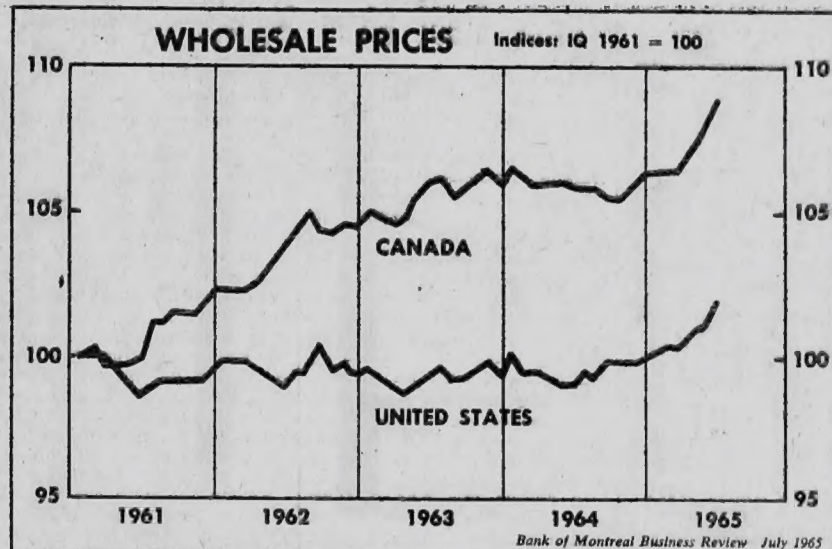

THENCE south 69 degrees 08 minutes west astronomically, 68 feet to the eastern shore of Boshkung Lake;

THENCE northerly along the said shore 220 feet more or less to its intersection with a line drawn on a course south 39 degrees 57 minutes west astronomically through the point of commencing;

THENCE north 39 degrees 57 minutes east astronomically, 19 feet to the said point of commencing.

AND TAKE FURTHER NOTICE that before passing the said By-Law at its meeting to be held in the Council Chamber, Beech Lake, on the 8th day of September, 1965 at the hour of 8 O'Clock P.M. the Township Council of the Municipal Corporation of the Township of Stanhope, Provisional County of Haliburton shall hear in person, or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-Law, and who applies to be heard.

By order of Council dated this 4th day of August, 1965.
WM. COWEN, Reeve THOS. A. WELCH, Clerk

POTENTIAL DANGER of spiralling prices in Canada is indicated by the recent rapid rise in wholesale prices, as charted by the Bank of Montreal in its July Business Review. Consumer prices and most other prices also rose.

MONTREAL — Although Canada's economic conditions are continuing buoyant and future prospects are good, some warning signs can already be seen in the business outlook, according to the Bank of Montreal in its Business Review for July, just issued.

The B of M notes that in both Canada and the United States the strength of last year's business activity has "continued at a good pace" into this year and industrial production, already 35 per cent higher than in 1961, is still expanding.

But the bank warns of uncertainty in the future of external trade, a major source of strength during the current business expansion, with the gap between imports and exports widening unfavorably.

PRICES RISE

"Further uncertainty, both for Canada's external trade and for general economic conditions in this country, could arise from a continuation of price increases such as have taken place in wholesale prices recently," the B of M states.

The first signs of "strong upward pressure on prices" appeared in late 1964 and, between October, 1964, and June, 1965, wholesale prices in Canada rose by over 3 per cent.

"Certainly these increases as yet indicate only mild inflationary pressure compared with the record in most countries," the bank says.

"However, they do pose, especially for Canada, a somewhat greater danger of spiralling prices than has been experienced in recent years since they come at a time when the economy is operating much closer to capacity, when substantial wage increases are being gained and when there is an increasing incidence of labour disputes resulting in work stoppages."

BUSINESS OUTLOOK

The warning on prices was one of several raised by the B of M in a review of the current business outlook.

However, it notes that Canada's economic conditions are continuing buoyant and that future prospects are good, with the strength of last year's business activity continuing "at a good pace" into this year.

In addition, plans for capital expenditure this year which already call for a substantial increase appear to have been revised upwards in recent months.

FURTHER EXPANSION

However, the B of M says "there is a real question whether and further sizable expansion in capital spending . . . could be achieved without causing considerable distortion." It points out that additional demands would be placed on already short supplies of certain categories of labour and materials, intensifying existing pressure on prices and costs, and that imports could rise strongly to meet heavy demand for machinery and equipment.

But the bank says that official forecasts of growth for 1965 will be easily achieved in current dollar terms, even without taking into account the possibility of a bumper grain harvest in the West. "However, the various uncertainties . . . suggest that some slowing down in real terms of the current rather heady rate of advance may be inevitable before too long, especially if overheating becomes clear enough to require a more positive degree of monetary restraint."

Nevertheless, there are many favorable elements in the present situation. "With longer run prospects so good, the adjustments that may be required in the months ahead should be easier to make, particularly if due attention is paid to the warning signs already in evidence."

"For the danger remains that what should be merely a pause for breath could turn into a major readjustment if excessive demands are put on the economy at this stage," the B of M Review concludes.

Bride Elect Given Shower By Friends

Mrs. Flora Walling and Mrs. Jack Mackay entertained at a miscellaneous shower in honour of Miss Karen Robertson, a rail bride elect, at the home of Mrs. Walling, Haliburton on Friday evening, August 6. Guests included nearby neighbours and friends.

The guests assembled at the home of Mrs. Walling at eight o'clock sharp. Karen was lured to the house on an errand for her mother. As she entered, the wedding march was started up and Karen was invited into the beautifully decorated living room and escorted to a chair decorated in pink and white, and asked to remain for the evening of fun. At this point the wedding chorus was started again and down the stairs came a "bridal party" to stage a mock wedding. The parts taken were ably acted out by her friends amid hilarious peals of laughter. After this was over, an article of advice on "How to get along with a new husband", was read by an old friend, Mrs. Pauline Otto.

Then the following address was read to Karen by Mrs. Otto: Dear Karen:

We, your friends and well-wishers of your own home community, have gathered here this evening to express to you our sincere best wishes for your future happiness.

Since leaving school, your profession as a school teacher, has called you away from us a great deal, but your cheerful, helpful personality has always been most welcome at the holiday seasons.

We ask you to accept these gifts as an expression of our good wishes for a long and useful life. May health, happiness and prosperity follow you to your new home.

Signed on behalf of your

neighbours and friends. At the time the address was circulated and everyone signed it. Karen made a short but sincere reply expressing her thanks for the lovely address.

A beautifully decorated wishing well, filled with gifts, was brought in and she was asked to open the parcels. Her friend, Miss Nancy Best, from Camp Kagawong, Fenelon Falls, assisted Karen in opening the gaily decorated gifts and read the good wish from the cards. When the guests were invited, each was asked for a favourite recipe to accompany their gift. These were collected and later put in a recipe box and presented to the guest of honour.

Among the gifts she received was one sent in by her father, a complete first aid kit. Her only grandmother, Mrs. James Glendinning of Toronto, also sent two silver serving spoons. Miss Best collected the bows from the gifts and fastened them to a small gilded spruce tree that was mounted on a gold pedestal. The ribbons were then tied together with the bride elect's diamond ring tied to the first ribbon and the ribbons passed around the circle. The lady holding the ring when the last ribbon was tied was to receive great good fortune.

A decorated wooden bread board was passed among the guests and each one signed her autograph. It was then presented to Karen, along with a replica of the wishing well into which each guest had dropped a new 1965 penny, and a good wish.

Some of the gaily coloured balloons hanging from the ceiling burst showering the guest of honour with coloured rice and confetti. A dainty lunch was served by the hostesses consisting of a salad plate of jellied salads on lettuce. A red cabbage with party picks holding olives, cheese squares, white onions and other tidbits, was passed on a silver tray. The dessert was a large angel cake, made to represent a bride, with a bride doll on the centre of the cake and the cake forming the skirt.

At this time a large scrapbook, made up by Karen's aunt and uncle, Lois and Bill Freeman, was presented to her. It humorously described her life by picture and verse, from her birth to the present time. This caused a great amount of fun among the guests.

Karen again thanked her hostesses for the delightful shower, and a most pleasant evening came to a close.

Coumbs Re-union Held At Emily Park

Sixty persons were present at the first Coumbs Re-union held at Emily Park on Sunday afternoon, August 22, 1965. It was fine weather and the event was enjoyed by all.

The twenty-five children ran races and received prizes and spent an enjoyable afternoon on the beach. The older people enjoyed a pleasant afternoon reminiscing.

Tables were set and everyone enjoyed a hearty meal.

As this was the first re-union Mr. Joe Stuart of Lindsay was selected President, and Mrs. Doug Purdy as Secretary-Treasurer for the coming year. Plans were discussed for the re-union in 1966.

Those present were from Oshawa, Wilberforce, Haliburton, Bobcaygeon and Lindsay.

Seasonal Total Of Forest Fires Lower

OTTAWA — There were more forest fires across Canada during June 1965 than in the same month last year, but the acreage damaged was considerably less last month than in June 1964, according to Department of Forestry of Canada estimates.

In June this year 1,631 fires affected an estimated 78,000 acres, while in June last year 1,295 fires damaged 266,000 acres. The June 1965 estimate includes 19 fires in the Yukon and Northwest Territories involving about 107 acres, compared with 49 fires in the Territories in June 1964 which damaged 31,000 acres.

The seasonal total to the end of June this year was much lower than last year. There were 132,000 acres estimated damaged by 3,490 fires at June 30, whereas the 1964 tally at the month's end stood at 3,734 fires affecting 405,000 acres.

Bancroft Nurse In Charge Takes Lion's Head Post

BANCROFT (ENS) — Miss Sigrid Laine, who for more than 13 years has been the nurse in charge at the Bancroft Red Cross Hospital, left Sunday to accept a position at the new Red Cross hospital at Lion's Head.

The 10-bed Lion's Head hospital is not yet completed, but is scheduled to open in the fall. Miss Laine will be in charge of organizing it.

Miss Laine, who has had com-

plete responsibility for the 22-bed Bancroft hospital where there is no resident doctor, is a graduate of McKellar General Hospital in Fort William.

A farewell luncheon in her honour was held by the hospital auxiliary recently. Mrs. Whitney Martin presented a gift of gemstone jewellery to Miss Laine as a memento of Bancroft.

Miss Laine will be succeeded here by Miss Martha McGahera,

Billings - Lowndes Wed In Gooderham

BILLINGS — LOWNDES

A very pretty wedding was solemnized in the Pentecostal Church, Gooderham on Saturday afternoon, July 24, 1965 at 2:30 when Maryanne Lowndes, daughter of Mr. and Mrs. Clifford Lowndes of 1393 Hickory Road, Windsor, became the bride of Ronald James Billings, son of Mr. and Mrs. Robert Billings of Gooderham.

Rev. McNeill of Haliburton officiated at the ceremony.

Given in marriage by her father, the bride wore a beautiful

satin gown with flowered lace overtop, long sleeves and ballerino length skirt. Her medium length veil was held in place by a crown of pearls. She carried a bouquet of white and pink dahlias. She kept the tradition of "something old, something new, something borrowed and something blue".

The bridesmaid, Marlene Lowndes, sister-in-law, of 1815 Kingston Road, Scarborough was becomingly dressed in a waltz length yellow chiffon, with white and yellow dahlias, and matching head gear.

Mr. Vincent Billings, brother of the groom, was groomsman. Mr. Frederick Charles Lowndes, brother of the bride, was usher.

At the reception held at the home of the groom's sister, Mrs. Howard Hillis, the bride's mother received wearing a pink suit with matching corsage of pink and white carnations and white accessories. The groom's mother wore a printed silk dress with corsage of white carnations.

For the wedding trip to Niagara Falls and St. Catharines the bride chose a becoming costume. The newlyweds who have the best wishes of the community will reside at Gooderham, Ont.

Out of town guests included from Windsor, Mr. and Mrs. Clifford Lowndes; from Toronto, Mr. and Mrs. Charles Partridge; from Tory Hill, Mr. and Mrs. Mabel Billings, Mr. and Mrs. Charles Billings, Helen and Beverly; from Gooderham, Mr. and Mrs. Ross Cameron, Mrs. Nora Carey and Glenda, Mr. and Mrs. Howard Hillis, Mr. and Mrs. Vincent Billings, Miss Gail Bates and Glen Billings. The children of guests in attendance were also present.

Conservation Car Coming To Haliburton

The Ontario Forestry Association is sending a Canadian National Railway car to Haliburton on Monday, August 23rd. It will be on the railway siding here on Monday, Tuesday and Wednesday, August 23 to 25 and will be open to the public in the evenings of the above dates at 8 p.m.

We might say that the Ontario Forestry Association is a non-profit, non-political organization whose primary purpose is to educate the people of the Province in the necessity of conserving our Forests, Soils, Waters and Wildlife through wise use.

Board;
11. Provided youth allowances of \$10.00 a month to students 16 to 18.

In addition there are many other things which the Government has accomplished. For example they have just announced an expenditure of over \$1,000,000.00 to be spent on the Kirkfield Lift Lock in order to improve the Trent facilities.

Let us face it, Mr. Fulton was here on August 7th to give a pep talk to the boys. The more interesting question is what their Candidate says he is going to offer his own area.
